### Chapter 1 by Felix Nixon

Just another casual day. Walking around as usual, getting bullied by Big Dan and playing video games. But dramatically, it wasn't completely normal. To be honest, it wasn't normal at all! I was being bullied by Big Dan (don't ask me why we call him that) in the school field. My temper was rising like a volcano, or to be specific, Olympus Mons. Now, this had never happened before, but somehow today seemed like a perfect day for it to occur. The lava (temper) in my head was rising, and something beneath me felt like it did to. But then I realized that I didn't just feel it, it was happening. The grass was literally rising.

"What on Neptune is going on here?" said Small Stan, Big Dan's BFF. (I know, weird combination)

I calmed down a bit, and so did the grass. Wait a second....how? So I decided to increase my temper to see what happens. The grass rose as well. There was no denying, I knew it was happening.

I control grass.
